

Fun matchplay for growing netballers

## COVID-19 safeguarding policy

- A full COVID risk assessment will be carried out before the start of each Minis season.
- Minis Netball leagues and its organisers will ensure that we follow the latest and relevant government and NGB advice on COVID.
- All balls & equipment are wiped with antibacterial products before and after every fixture.
- Bibs are sprayed with disinfectant between matches
- Hand sanitiser and wipes are freely available to all participants throughout and encouraged before the start of every fixture
- Umpire to move equipment before, after & during matches
- Parents, officials and spectators are encouraged to social distance throughout fixtures.
- Where fixtures are ran one after the other, where possible, participants will be asked to leave the site a different way to the next oncoming group enter.
